

## COVID-19 Commitment Form

As a member of the RSEQ GMAA, I understand the highly contagious nature of COVID-19 and recognize that even with all safety measures in place there is an inherent risk that students, coaches and/or staff could be exposed to, or infected with, COVID-19 when participating in GMAA activities.

Before registering a team or student into the RSEQ GMAA I will read and understand all Government COVID-19 Health Regulations, each Sport Federation Return to Play Protocol and all the information released in the RSEQ Health Guide. Additionally, if required, I will have all students and their parents sign a COVID-19 risk form.

Upon registration of each team and/or individual entered in the GMAA, I will immediately commit to implementing all Government COVID-19 Health Regulations, each Sport Federation Return to Play Protocol and all guidelines released in the RSEQ Health Guide.

If a participating student, coach, or staff member tests positive for COVID-19, I take responsibility for letting the GMAA know immediately.

If COVID Protocols are not correctly followed by a team from my school, I understand that my school's participation in all GMAA leagues could be suspended.
